Students attending Summer Academy are not required to wear the regular Dwight School uniform. Behavior

We want all students to enjoy their Summer Academy experience, ensure a supportive learning environment, and have fun trying something new. While at Dwight School Seoul, you are part of our community and therefore a part of our community principles. The standard for behavior at Dwight Summer Academy is the same as during the regular Dwight School year. Students must demonstrate and uphold the same behavior expectations as during the regular school year and represent themselves in the Dwight manner. If a situation arises where a student has not upheld behavior expectations, we will address it promptly. Academy teachers are the first to respond to an issue. If the issue persists, or is of a serious nature, the Academy Coordinator will have a conference with the student and the parents will be notified. If, after the Parent-Coordinator conference the issue persists, or a separate serious issue arises, the student may be removed permanently from the Academy. Removal is at the sole discretion of the Summer Academy Coordinator. No refunds are provided for removal from the Academy.
