

## About us...

Started back in 2002 in Nagoya Japan, Cezars Kitchen has grown through word of mouth in the International School community. We are currently serving thousands of children in International schools throughout Japan and hope to bring our nutritionally balanced meals and proven system to your school. We are committed at each school to make our selves a part of the community and to provide a customized version of our service that will keep your children healthy and coming back to eat everyday.

# Nutritious Food Service

Great food and Nutritious as well, Cezars Kitchen will provide the students at your school with the highest quality, most nutritiously balanced meals available in a school environment.

At Cezars Kitchen we cater to individual needs. Whether your school has a large vegetarian population, or has a small community of individuals who eat only Halal foods, Cezars Kitchen is the right choice. Flexibility and our desire to work with each school's needs has been the key to our success.

## Cezars Kitchen Advantage

At Cezars Kitchen our focus is on children's health and well being. Well nourished students are more likely to succeed. Classroom achievement starts with proper nutrition and a balanced lunch. We have teamed up with your school to encourage life long, healthy eating habits.
